

Harassment, Intimidation and Bullying (HIB)

Hampton Academy strictly prohibits acts of harassment, intimidation and bullying of a student. Hampton Academy has determined that a safe and civil environment in our school is necessary for students to learn and achieve high academic standards; harassment, intimidation or bullying like other disruptive violent behaviors, is conduct that's disrupts both a student's ability to learn and a schools ability to educate its students in a safe and disciplined environment. Since students learn by example, school administration, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect and refusing to tolerate harassment, intimidation or bullying.

The 2011 Anti-Bullying Bill of Rights (ABR) Law requires each school to appoint an Anti-Bullying Specialist.
